

OLD TRAIL

SANITARY GUIDELINES AS OF MARCH 24, 2020

We are open and thankful to be able to offer a place to escape outdoors while still practicing safe social distancing. We ask all members and guests to help us by abiding by these additional safety and sanitation measures when you choose to visit us over the coming weeks.

- We encourage practicing social distancing while at our facility and recommend staying 6 feet away from others at all times. This includes limiting persons within the pro shop to 8 or less, which may require our members and guests being asked to wait outside at certain times.
- Tee times will be increased to 20 minute intervals.
- Mandatory cart restrictions will allow only 1 person per cart until further notice.
- Walking is encouraged.
- DO NOT touch or remove the flag stick on putting greens. Cups have been raised 1" above the ground level, and balls that touch the cup are considered good for scoring purposes.

Our team will be actively sanitizing all frequently touched areas in and around the clubhouse including all doors, knobs, railings, bathrooms (including on course), golf carts and bag stands.

We will continue to monitor the guidelines and restrictions put in place by the CDC and Virginia Department of Health in order to preserve the health and safety of our patrons and staff, and we reserve the right to make further adjustments to our business operations as needed in the coming weeks.

Thank you for your continued patronage,

Your Friends at Old Trail
